RE: Advertising for 2017-2018 Transportation Improvement Program Citizens Advisory Panel

---

Mason County is advertising for citizen volunteers to serve on the Transportation Improvement Program Citizens Advisory Panel (TIP-CAP). The mission of TIP-CAP is to represent citizen transportation interests throughout Mason County for all modes of travel during the development of the 6-Year TIP.

The TIP-CAP will review and analyze Mason County's transportation needs and present their recommendations to the Board of Mason County Commissioners. Members serve a two year term, with the first meeting in January 2017.

Mason County invites all interested citizens to apply who represent transportation interests as spelled out in the current resolution establishing the advisory panel.

Interested persons may apply by obtaining an application from the Mason County Commissioner's office, 411 North 5th Street, Shelton or by calling (360) 427-9670, ext. 419 or from the County website www.co.mason.wa.us. Applications will be accepted until membership meets the current resolution requirements.
