Your **VOTE** is Your **VOICE**

Let’s start thinking now for the elections that take place at the General Body Meeting

**MAY 5th 2018**

**Candidate Forum Information Guide**

**What is the candidate forum?**

A Candidate Forum is an avenue for those seeking a position on Tribal Council to express their views openly and answer questions from tribal voters. This will promote a better understanding of each candidate’s ideas and positions on various topics, thus encouraging informed voting choices.

**Event Moderator (Election Committee Member)**

The event moderator will pose pre-determined questions to the candidates and/or have an open mic for tribal members to ask questions of their own. The moderator will maintain the flow of the forum, ensuring timeliness and respect for all during the event.

**Forum Guidelines**

Each candidate will have two minutes to provide a brief introduction of themselves and to make any opening statements.

The moderator will pose questions covering a wide range of topics and issues of interest to the tribal community.

Following each question posed by the moderator, candidates will have up to three minutes to respond. This time limit will ensure that all candidates have an equal chance to reply and that the event stays on track.

The moderator MAY or MAY NOT choose to allow for

Chairman’s Update

Our Squaxin Island Spring General Body meeting and elections are coming up quickly, Saturday, May 5th. I’d like to thank the Executive Services Department for reminding everyone in last month’s Klah-Che-Min and the Elections Committee for their work to prepare for and give support during the election process.

Being a Council member is a 24-hour, 7 days-a-week job. It is important to keep in mind the responsibility a person takes on as a council member when nominating and accepting a nomination. The work of a Council member takes a real commitment of time and the ability to listen to Tribal members, department directors, politicians, business people and others while remaining objective and always representing the Tribe in an honorable way. Once on Council, you are part of a team and must work together with the whole Council of seven in decision making. It can, at times, feel like a weary and a thankless job and it does take away from family time. However, it can also be rewarding knowing you are helping to build for the future of our Tribe and sustaining our cultural ways. That being said, Council members must, at all times, conduct themselves at a high standard.

In my first year as your Chairman, we have faced many challenges across the state, such as the Hirst water decision, the Culvert case, the Atlantic salmon farming catastrophe, and now the carbon taxes. There are many issues we struggle with pertaining to climate change and natural resources. All of these affect the daily lives of every one of us. I am working with Council to analyze the past year and to look ahead at the needs, growth and future of our Tribe.

My hands go up to all who worked so hard to make the Sa Heh’ Wa Mish Days Powwow and the Coastal Jam a great success. I regretted not being able to be there this year, but was at Lummi attending the funeral of an honored tribal leader.

Spring is just around the corner, more daylight and time to enjoy the outdoors. It is also time for our people to show their care for the lands. There will be many opportunities for people to support activities such as the Natural Resources Department’s Clean-up-the-woods day and the Housing Departments spring cleaning efforts around the Rez. Please watch for these dates and pitch-in. We can do anything, if we do it together.

Squaxin Island Tribal Evacuation Drill

John Taylor - On February 20, 2018 Squaxin Island tribal government conducted an emergency/disaster building evacuation drill, which included the main campus, Natural Resources, and Cultural Resources. Using the ‘Building Evacuation and Personnel Accounting Plan (BEPAP),’ buildings were evacuated and staff accounted for on personnel rosters that were turned into the Tribal Emergency Operations Center. These drills are scheduled for the next couple of months. Soon these drills will occur at least every other month unscheduled. The next drill is scheduled for March 6, 2018.
Community

VOTING: What’s the point?
Voting gives you the opportunity to say how the Squaxin Island Tribal Council works to govern our community and voice those changes.

Voting gives you (the member) an active voice in the Squaxin Island Tribal government (the representative). It allows you to choose the Council Member(s) who will make informed decisions on important issues that impact the Tribe and its membership, while promoting a stronger community.

Every vote counts! Don’t give up the chance to choose leaders and/or representatives who will be an important asset to the community’s current issues and progressive momentum!

How do you know who to vote for?
Learn who the candidates are; ask questions and talk with your neighbor.

Know what’s going on in the community; stay up to date with current issues.

Actively participate in choosing leaders and facilitating changes; attend Candidate Forums, Talking Circles and General Body meetings.

Write to your current Council members about issues that are important to you.

The point is… Respect your right! Voting is a privilege that many people do not have. Guide your community to a future supported by a true majority!

The electronic voting system is strictly confidential. Although important data can be processed for compiling reports, names, addresses are NEVER included or accessible.

Candidate Forum

questions from the floor depending on the number of people in attendance and time constraints of the event. Candidates may be available for individual questions after the close of the event.

The forum is not a debate, so there won’t be interaction between candidates. The Moderator will not take questions from the floor during the pre-set portion of the event, therefore audience members will be asked to refrain from direct Q&A with candidates until later in the program, if time allows.

Each candidate will be given two minutes for closing remarks and to comment on any issues that may not have been discussed.

Each candidate will have an equal and fair opportunity to express his or her position on issues.

A time-keeper will be assigned to help maintain equity in discussion time. The time-keeper will use a flash card to indicate when the candidate’s time has elapsed.

The Longest Walk
Calling an End to Drug Abuse and Domestic Violence

Patti Puhn - The Squaxin Island Tribe had the honor of hosting the walkers of the Longest Walk 5.3 February 25th, 26th, and 27th; The Longest Walk – “Calling an End to Drug Abuse and Domestic Violence” is a group of individuals who over the past two years have traveled across the United States on foot – they traveled the southern route in 2016; the middle route in 2017 and they began their third and final phase of their mission on February 18th in Blaine, Washington, as they head out to cover the northern part of the United States as they journey to the Lincoln Memorial, arriving on July 17, 2018.

The purpose of their journey is to visit tribal people, share their stories of hope, being clean and sober and discourage the use domestic violence in any way. They provide presentations, and lead discussions about ways we can work together to rid ourselves of drugs/alcohol and domestic violence, as well as talk about other issues that our people are facing at this time.

When the Walkers arrived February 25, 2018, we met them at KTP Express to walk them onto our reservation. We had 32 Tribal and Community Members join in this powerful moment. Council members Arnold Cooper and Steven Dorland where present to Welcome them and pray and Tamika Green and Cleveland Johnson Jr let the group in drumming and singing.

The group left Squaxin Island Tribe on February 27, 2018 to travel to the Confederated Tribes of the Chehalis. When they left we gifted them with our tribal flag signed by all of the community members who walked with them over their stay.

Unbelievable

There are millions and millions of dogs and cats in the world, and no wonder. Consider the reproductive power of these animals:

DOGS are able to reproduce twice a year, from as young as six months old. In just six years, two dogs and their offspring can theoretically produce 67,000 puppies.

CATS can have three litters a year. In that same six-year period, two cats and their offspring may produce as many as 390,000 kittens.

These statistics are certainly a testimonial for spaying and neutering!

For information on where/how to spay and neuter, contact Gus Nilsson at: 360-432-3953.
The 11th Annual Squaxin Island Tribal Drug and Alcohol Awareness Dinner was held on February 11, 2018 in the Event Center at Little Creek Casino Resort. A gathering of 350 attendees gathered to share a lasagna dinner and to hear guest speakers Larry Vessey, Angel King-George and Harry Naumoff share their stories of recovery.

The event, which was themed Celebrating “New Beginnings” included a photo booth and celebration wall; many had their photos taken and posted them with their clean dates on the New Beginnings wall. Attendees were gifted with a T-shirt which displayed the “New Beginnings” logo, designed by Squaxin artist, Joseph Seymour. A craft and activity area were provided by the Christian Motorcycle Association and was assisted by several JROTC cadets who helped with the activities.

For the past ten years, this event was planned and organized by Christine Semanko in memory of and inspired by Wilson Blueback. We lift our hands in appreciation to Christine for her many years of service in hosting and coordinating this event. This year’s celebration was sponsored by the Squaxin 1% Committee, Behavioral Health Outpatient, Family Services, Health and Human Services, Northwest Indian Treatment Center, Public Safety and Justice, Tu Ha’ Buts Learning Center, and the Little Creek Casino Resort.
**New Employee**

**Madeena Rivera**  
**Community Mobilization Specialist**

Hi! I was hired as the Community Mobilization Specialist working with Law Enforcement. I will be taking part in the Community Watch and Prevention Program as well as the Safe Streets Program. You may also consider me as a Liaison between law enforcement and the community.

I am a Squaxin/Yakama Native. I was enrolled into Squaxin as a baby and grew up out here in good ole Kamilche. I spent most of my life out here on the Squaxin Rez. But here is just a little bit about my family . . . I am the great-granddaughter of late Buddy Cooper who was a Squaxin Island Tribal member and my great-grandmother was Estella Teio who was a Yakama Nation tribal member. My grandmother, Rose Davis, who is a Squaxin Island tribal member is also the Minister of the Mother Church for Mud Bay Indian Shaker Church. My mother is Marcella Cooper, who is also a Squaxin Island tribal member. And I could go on forever about my family tree . . . But I won’t because then you’ll be reading all day.

In my previous job, I worked five years with Little Creek Casino Resort. I was a Hotel Supervisor there before I resigned and came back to work for the Tribe.

They won!!!!  
**Congratulations M’Kenzie Brearley-Lorentz**

River Ridge Varsity Blue won 1st in the state in the small non-tumbling 2A 3A 4A division - 2 years in a Row!!!

I am most excited about being back with the Tribe and working closer with my tribal community. I am a very compassionate person and always willing to help where help is needed, especially helping wherever I am needed in my community and being there for my people. I am also very honored to be back with the Squaxin Island Public Safety and Justice Department. I am big on building partnerships between communities and their local law enforcement agencies because I think that its very important. The police department was my very first place of work growing up, so you might say the LE team there watched me grow up and they became a part of my family. So yeah, I am very happy to be back with my tribal community and the PD.

It is in my heart to always be willing to help improve the lives of the youth and to serve the families in my tribal community. I strongly believe in showing compassion not indifference. I also believe that we, as a community, can raise awareness to help change someone’s life because when we don’t do something about a situation, it has a huge impact on these kids. Our community is our responsibility.

My office is located at the Tribal Administration building upstairs. Please always feel free to come over to talk with me about any of your concerns, your ideas or whatever you’d like to share. There will be times that I will be in and out of the office because I’ll be working in the field, but you are more than welcome to give me a call any time or text my cell 360-999-7073, or here is my desk phone 360-432-3867, and my email is mrivera@squaxin.us. I look forward to working with you and for you. I am here for you Squaxin!
The Squaxin Island Tribe recognizes the importance of education, and places great emphasis on supporting Squaxin youth in achieving academic success. The Squaxin Island Education Department, through the Tu Ha’ Buts Learning Center, actively provides that support through a wide variety of programs and services to assist students of all ages. Among these services is a sustained effort to monitor the academic progress of Squaxin Island youth in the Shelton School District.

The Squaxin Island Education Department is aware of numerous instances where Squaxin Island youth have missed school days to attend to other religious and/or cultural activities of the Squaxin Island community. While it is understood that certain situations must be attended to (e.g. funeral services), there have also been numerous instances where parents/guardians have sought excused absences for their children to participate in cultural activities of the tribal community (e.g. fishing, hunting and/or gathering activities).

The Squaxin Island Education Department respects that each family will make its own decisions for the best interest of their child, and the importance placed on their child’s participation in cultural and religious activities. We do not weigh into those discussions. But we do want to make sure each parent/guardian is aware that the Squaxin Island Tribal Code defines truancy as:

- Five excused or unexcused absences in any calendar month, or
- Ten unexcused, or twenty excused or unexcused absences accumulated throughout the school year.

Youth Activity Notes

Jerilynn Vail-Powell - We have quite a few things to offer the youth for March. All of the schools are having early release days. In addition to the activity calendar in every Klah-Che-Min, you can stop by the TLC or check out our Tu Ha’ Buts Learning Center Facebook page for the activity schedule. It’s that time again already - our annual Youth Easter Egg Hunt will be on Saturday, March 24th.

**Higher Education Update**

Mandy Valley - If you have not sent your final grades from fall quarter to me yet, please do so as soon as possible. Updated scholarship information is now becoming available. As soon as I receive the scholarship announcements I will forward them to all higher education students. I continually search for potential scholarships and will send that information along as I learn more.

Spring quarter is quickly approaching. If you plan to attend and are not a current higher education student please stop my office or give me a call so I can go over the required documents with you. Paperwork for Spring quarter is due back no later than March 16th to avoid potential delays in processing. If you have additional questions, please contact me by phone at (360) 432-3882 or by email at mvalley@squaxin.us.

GED Instruction and Homework Support

Jamie Burris - Homework Support - If you need support with your homework, I am here to help you complete work, study or help you find an engaging book to read for 20 minutes. Here’s your March Study Tip of the Month: Snack healthy while you study. If you want to stay sharp while you study, stay away from junk food. Instead, snack on studying-friendly foods like dark leafy greens, whole grains, peanut butter, milk, and seafood. Feeling sluggish? Caffeine or energy drinks won’t help you in the long run. Get your energy boost instead by eating a banana or an apple. You can go to www.liveabout.com for more study tips.

GED Instruction - GED preparation classes are up and running! Come in and take a practice test to see where you are in your journey, what you still need to study or discover that you are ready to take the actual GED test! The GED test has 4 subjects: language arts (reading/writing), math, science and social studies. The test is made up of multiple choice, drag and drop, fill in the blank, short answer, and extended response type of questions. Each test has a different amount of time allotted for it – ranging from 70 to 150 minutes. If you are a tribal member, the Tribe will pay for your testing (saving you at least $30 per test!)

GED study tip of the month: Read the full question, carefully. Read each question twice before you look at the answers. Read each answer twice before you answer. People often read questions too fast and fall into traps. The same goes for answers. Don’t miss the question because you misread some of the terms. You should also be careful not to read too much into the question. Questions are typically straightforward and don’t require a “leap of faith” to answer correctly. In other words, don’t over-read the question and look for a “theoretical” answer versus a “common sense” one. For more study tips, go to: www.test-guide.com or go online at www.ged.com.

I am here to help guide you along your individualized learning path Tuesdays, Wednesdays, and Thursdays from 4-7pm. You can also reach me at jburris@mc-mcleary.wednet.edu.

Dear friends and family,

I hope you are doing well and you’re enjoying the new year. I want to bring you an update of what is going on in my life. I am currently attending the University of Northern Colorado studying Music Performance on trumpet, and soon to be adding a Business minor. Freshman year of college has gifted me with many great friends, experiences, and opportunities. I am very much looking forward to what the next few years entail, but not just in school.

This summer, I have the amazing opportunity to travel to Uganda and do mission work with FOCUS (Fellowship of Catholic University Students). While in Uganda, we will be working in the Kitouvu hospital in Masaka, helping those in need and doing whatever we’re asked to. We will also have the chance to make home visits to those who are sick and may be unable to travel to the hospital. I really want to help those in need medically, but I hope to help people spiritually as well. However, I can’t do this all by myself; I need your help.

First, I ask for your prayers and good thoughts with this journey. In the past year I have made tremendous progress in my faith and relationship with God. He only wants to share His love with us and to continue growing closer to Him. I have truly been blessed with a lot of great people and opportunities in my life. My only wish is that I can help other people find the same love and blessings that God has shared with me. Your prayers and thoughts are an important part of this journey and are very important to me.

Second, I need your financial assistance. I ask you to join me on this mission trip by providing the financial support for this mission. I ask that you prayerfully consider making a donation to help me pay for things like food, shelter, and other necessities during my time in Sub-Saharan Africa. **I need to raise $5,000 by May 30th.** In order to reach this goal as soon as possible, gifts of $150+ are greatly needed. Anything helps, but there are no minimums, maximums, or limit to amount of donations! I promise you, through my personal efforts, that your gift will be used to do real good in this world. All donations are tax-deductible.

Thank you for taking the time to read this and for your consideration. If you wish to make a donation, please go to [http://www.focusonline.org/goto/michaelaraiza](http://www.focusonline.org/goto/michaelaraiza) or write a check payable to FOCUS with “75905-Miguel Araiza” in the memo line and mail it to 800 19th St, Greeley, CO 80631. I will be calling you February 8th - 15th to see if you have any questions, but feel free to contact me anytime at (971)-600-6253. Looking forward to talking to you soon!

P.S.

Love and miss you! I’m glad that I’ll get to see you more when I visit home and I hope you can support me on this journey. Don’t hesitate to call!

God Bless

Michael Araiza

Squaxin Island Youth Council
Collaborates with Tobacco Cessation

Bobbie Bush - The Squaxin Island Youth Council will be hosting the Northwest Indigenous Youth Conference here April 1st - 5th, 2018. Part of the agenda includes a day of cultural activities. So, as part of commercial tobacco addiction prevention, I asked them to be on the agenda. It is going to be exciting and hard work, but well worth it.

The youth decided they wanted to make small cedar baskets and cattail dolls. At the first meeting, on January 4th at 4:00 p.m., we dyed raffia black for the hair on the little dolls. There were five youth and two adults at that session. After making the dolls, we ate pizza and salad.

At the next meeting, on January 18, 4 PM, there were three members of the Youth Council, and two adults. We made 20 cattail doll kits, finalized some details and then ate some fruit and granola. Each of the youth present at the second meeting assumed responsibility for a portion of responsibilities for the cultural activity. Kiana and Kiona will help with the small cedar basket weaving. Jasmine will help with the cattail dolls.

The next meeting will be February 1, 2018, at 3:30 p.m. at the Teen Room in the ‘Tu Ha’ Buts Learning Center. We will make the small cedar basket kits to be prepared well in advance of the event.

We will have 20 cattail doll kits and 50 small cedar basket kits ready for the activity. It will be challenging, but these young people are up for the challenge and ready to GO!
Local Tribal Diabetes Coordinators Meet and Network

Patty Suskin - On January 30th, diabetes staff from five area tribes met and networked. Topics included: grant activities and reporting, resources developed, group sessions, and more. By meeting together and sharing successes and challenges, we are able to increase our ability to support people with diabetes in our communities.

5 Tips to Kick Bad Eating Habits to the Curb
eatright.org - Are you guilty of skipping breakfast, ordering takeout, getting jitters from coffee overload and counting potato chips as part of a viable eating plan? It’s time to kick those habits to the curb and start eating right. Here’s a guide to help you get started.

Eat Breakfast
There’s no better way to start your morning — and the year — than with a healthy breakfast. "It provides your body with the fuel it needs to make energy to keep you focused and active throughout the day,” says Jessica Crandall, RDN, CDE, AFAA, Academy of Nutrition and Dietetics Spokesperson. Not only that, but if you are trying to lose weight, fueling your body regularly “will help you from possibly making unhealthy decisions later in the day based on hunger,” adds Crandall.

The key to a good breakfast is balance. Include lean protein, whole grains and fresh, frozen or canned fruits and vegetables. Tweet this For example, oatmeal cooked with low-fat milk and sliced almonds and berries or crust-less quiche with mixed veggies, low-fat cheese and a slice of whole-wheat toast.

Cut Back on Caffeine
Too much caffeine can interfere with sleep, make you jittery and cause you to lose energy later in the day, says Jim White, RDN, ACSM-HFS, Academy Spokesperson. Not only that, but if you are trying to lose weight, fueling your body regularly “will help you from possibly making unhealthy decisions later in the day based on hunger,” adds Crandall.

Navigate the buffet

“All-you-can-eat” buffets offer a variety of options, but it can be easy to overeat. Before you pick up the first spoon, consider these tips.

Survey the buffet
Take a lap around the buffet before you start to fill up your plate. Plan ahead so you know what to choose and what to limit.

Savor a salad
Start your meal with a salad. Choose vegetables of all colors and top with vinaigrette rather than a creamy dressing.

Be selective
Look for steamed, grilled, or broiled dishes, which are often lower in saturated fat than foods in creamy sauces or fried.

Take your time
Be mindful to eat slowly and enjoy your meal. Use hunger and fullness cues to recognize when to eat and when you’ve had enough.

Rethink your drink
Balance out your meal by drinking water or unsweetened iced tea rather than sugary beverages such as soda and lemonade.

cups or less per day, and watch what you put into it. Skip unwanted calories and sugar by drinking it as plain as possible.

Need to wean off? White says to try three things: switch to half decaf or tea, drink plenty of water and eat small, frequent meals to keep up energy.

Bring Lunch to Work
How do you make bringing lunch to work easy? "Have your arsenal of food for the week. Have the right foods to put together," says White. "By stocking up the fridge, you’re setting yourself up for success."

White suggests preparing the week’s lunches over the weekend — bake chicken, chop veggies, steam rice. Make sure your options include a combination of lean protein and carbohydrates. For example, whole-grain bread with turkey, a cup of veggies and a piece of fruit. Or, try a salad with veggies and chicken and a piece of fruit. It doesn’t have to be a full meal. "If you’re crunched, get a snack," says White. Go for fat-free or low-fat yogurt and fruit, whole-wheat crackers and low-fat cheese or hummus and baby carrots.

Eat More Fruits and Vegetables
Fruits and veggies add color, flavor and texture, plus vitamins, minerals and fiber to your plate. Crandall recommends picking one fruit or veggie you’ve never tried each time you go to the grocery store. "It’s a great way to discover new options," she says.

Don’t let winter stop you from enjoying produce either. It might be harder to find fresh options, but frozen and canned are great alternatives.

Cook Dinner at Home
Making meals at home doesn’t have to zap the last bit of your time and energy. The trick is to plan ahead. "If the week is cramped for you, then prepping on the weekend is a great time saver," says
Food stays fresh, tastes better, and saves you money when its stored in the right place

Store on the counter or in cupboard
bananas, fresh basil, garlic, onions, pineapples, and tropical fruit, potatoes and winter squash

Store in refrigerator
Apples, berries, broccoli, carrots, cabbage, cherries, cucumbers, grapes, fresh herbs, (except basil), leafy greens, leeks, lemons, oranges

Store on the counter until ripe, then in refrigerator
apricots, avocados, melons, nectarines, peaches, pears, plums, tomatoes

Fruit, Vegetable Fridge Tips
- Store bananas, apples and tomatoes separately. They give off gases that quickly ripen other food.
- Remove bruised or moldy fruit or it will cause the rest to go bad more quickly.
- Untie bundles (herbs, greens, etc.) to let food breathe.
- Use your refrigerator’s crisper drawer. Set the humidity level to high for leafy greens or low for produce that tends to rot (not wilt) like avocados and strawberries.

Quick Tips
For breakfast eat …
- Berries with low-fat cottage cheese and high fiber cereal
- Whole-wheat English muffin with peanut butter
- Whole grain cereal with low-fat or fat-free milk
- Oatmeal with a side of hard-boiled or scrambled egg

For lunch try …
- Oil-based salad dressing instead of a cream-based dressing
- Salad with as many veggies as possible
- Ordering an appetizer as a meal
- Splitting an entrée or save half for later

For dinner use …
- Pre-cut veggies
- Extra veggies in stir-fry, meat-loaf, spaghetti sauce and soup
- Frozen fruit for desserts

Crandall. Choose options you can make in advance. For example, cook a batch of soup you can portion out for lunches or dinner during the week, or bake a whole chicken to slice for sandwiches, wraps and casseroles.

Use shortcuts such as pre-cut or frozen veggies and keep staples on hand such as low-sodium broth, herbs and lemons for flavoring. A quick and easy idea is to turn leftover beef into stew with beans, no-salt-added diced tomatoes and pre-cut veggies.

RESOLUTION
NO. 2017-001

Current Ministers, Assistant Ministers, Missionaries, Head / State / Provincial Elders and the Bishop are the only ones legally authorized to perform Shaker weddings, baptisms and dedications. (Such as Bells, Altars, Buildings, Land.)

Any Shaker must have a VALID and CURRENT 1910 LICENSE to conduct a Funeral.

No person, whether a member or non-member of the 1910 Indian Shaker Church, is permitted to perform these services or ceremonies without a valid and Current 1910 License. Even if they know how or formerly carried a license, they must refer the family to the person with a legal license of the 1910.

As a resolution of the Washington convention 2017, anyone who chooses to perform any of the services without a valid and current license is subject to a $500 fine payable to the bishop/general fund account.

This subject was brought up at all the conventions;
California State convention held at Smith River ISC Aug 19th 2017
Canada convention held at Kelway ISC Sept 2nd 2017
Oregon State convention held at Chiloquin ISC Sept 16th 2017
Voted on with a majority vote at Washington State Convention, held at Lapusah ISC.
All Indian Shaker Church Inc. 1910 license holders should be aware of this mandatory decision was approved on Oct 14, 2017.
