

Kamilche Pioneer Cemetery

The property is owned by Mason County. The cemetery was built in the 1800's when the first pioneers showed up. Most of the people buried in the cemetery are non-Indian. In 2014 the Cultural Resources Department saw that there was shady activity happening in the cemetery. In 2016 the Casino willingly stepped in and cleaned out the cemetery. Removing all overgrown ivy and brush. We (CRD) assist the county whenever possible with the maintenance of the cemetery.

Cremation Garden

Is a part of the larger Capital Cemetery Project. Completed are; installed Pavilion, well, fenced work garage, restroom, and sign. What is left to complete is the Cremation Garden, which should be done by May, 2019.
