EMERGENCY CLOSURE

The Squaxin Island Tribe recognizes that occasionally adverse weather conditions can make it difficult for employees to safely commute to work. The safety of our employees is important to us, so on days of extreme weather, the Squaxin Island Tribe will follow the delay start and closure schedule of Shelton High School. If Shelton High School has a 2-hour delay start, the Squaxin Island Tribe will also open 2 hours late.

Departments must establish alternate notification systems for essential personnel.

For notification of delay start or closure, please listen to the following local radio and television stations starting at 5:30 a.m.
