

## **Updates Regarding: COVID-19 for Summer Rec for 2020**

Due to COVID, our program dates are tentatively set for July 13-August 5. Please note, things could change. We will notify families if changes are made the program dates.

Our maximum capacity will be 70 youth, ages 5-12. We will have a nine youth per adult ratio. With a group size no larger than 18 youth per age group (Frogs 5-6, Salmon 7-8, Bears 9-10, Orcas 11-12).

We will begin registration on Monday, June 22. Due to preparing all the paperwork, registration will end on Monday, July 6.

### **Parent Pre-Screening:**

- If your youth has shown symptoms of fever of 100.4°F or greater, cough, shortness of breath, diarrhea, fatigue, headache, muscle aches, nausea, loss of taste or smell, sore throat, vomiting within the past two weeks, the youth would need to stay home for 14 days.
- In the past two weeks, if they have traveled outside of Washington State, the youth would need to stay home for 14 days.
- If they have been in close contact with a person who has been diagnosed with, tested for, or quarantined as a result of COVID-19, the youth would need to stay home for 14 days.

### **Sign-In Screening:**

- Youth can begin to sign-in starting at 8:00 a.m. Each group will have their own sign-in table. Social distancing will be practiced. We will have spaced marked on the ground and grass.
- Youth will have their temperature taken daily. If any youth show signs or symptoms, a staff member will contact a parent/guardian for the youth to be picked up. We will keep the youth isolated outside, until a parent/guardian or emergency contact can pick up to lessen the exposure to other youth.
- Youth will wash their hands for 20 seconds and stay with their small assigned group.

### **Daily Safety Measures:**

- Youth will be assigned a “family” group within their age group.
- Each youth will receive a bag of art supplies that will be kept on-site throughout the four weeks. They will have a backpack to keep all their personal belongings, which will be kept on-site too.
- We will provide a reusable water bottle to each youth. Water bottles will be kept on-site and sanitized daily in the community kitchen commercial dishwasher to kill all bacteria.
- Youth will wash hands when transitioning activities or using hand sanitizer.
- If youth touch their face, we will require they wash their hands.
- Meal times will be staggered per group. We will continue Grab-n-Go meals for breakfast and lunch.
- If youth are purposely coughing or touching youth while attending our program, youth will be sent home to ensure the healthy safety of everyone in the program.
- Staff will be sanitizing frequently touched surfaces throughout the day.
- At the end of each day, equipment will be sanitized following the Washington State regulation.
- Staff who are not assigned to a particular family will be required to wear a mask.
- Youth should not share items with one another.

### **Parent Responsibility:**

- Each youth will need to arrive to Summer Rec with their own mask.
