

SQUAXIN ISLAND TRIBE

RESOLUTION NO. 16-59

of the

SQUAXIN ISLAND TRIBAL COUNCIL

WHEREAS, the Squaxin Island Tribal Council is the Governing Body of the Squaxin Island Tribe, its members, its lands, its enterprises and its agencies by the authority of the Constitution and Bylaws of the Squaxin Island Tribe, as approved and adopted by the General Body and the Secretary of the Interior on July 8, 1965;

WHEREAS, under the Constitution, Bylaws and inherent sovereignty of the Tribe, the Squaxin Island Tribal Council is charged with the duty of protecting the health, security, education and general welfare of tribal members, and of protecting and managing the lands and treaty resources and rights of the Tribe; and

WHEREAS, the Tribe is a federally-recognized Indian Tribe possessing reserved powers, including the powers of self-government;

WHEREAS, the Squaxin Island Tribal Council has been entrusted with the creation of ordinances and resolutions in order to fulfill its duty of protecting the health, security, education and general welfare of Tribal members, and of protecting and managing the lands and treaty resources of the Tribe;

WHEREAS, the Squaxin Island Tribal Council finds that regulating enrollment is essential to the health and welfare of the Squaxin Island Tribe and its members;

WHEREAS, the Squaxin Island Tribe in 2007 began experiencing a substantial increase in enrollment applications;

WHEREAS, the Tribal Council desired to carefully consider the ramifications of a large influx of new enrollees;

WHEREAS, on February 12, 2009, the Tribal Council in Resolution 09-02 imposed a moratorium on approving new enrollment applications, with exceptions, pending adoption of an Enrollment Code in order to avoid uncertainty with respect to enrollment decisions;

WHEREAS, Resolution 09-02 created exceptions to the moratorium by allowing new enrollment applications to be processed for: (1) children one year and younger born to Squaxin Island Tribal members; and (2) all children born to Squaxin Island Tribal members if their applications were filed within 60 days of the effective date of Resolution 09-02 (February 12, 2009);

WHEREAS, the Tribal Council subsequently adopted an Enrollment Code that governs enrollment matters and, among other things, includes § 5.02.010.F.1 that encompasses adoptees as persons “born to” Squaxin members under Constitution § 1(e), which in turn is consistent with Resolution No. 96-18;

WHEREAS, the Tribe has been assessing, and continues to assess, the effects of the moratorium and options for fully or partially lifting it; the nature and number of enrollment applications that have been submitted and will likely be submitted in the future; and approaches for preserving and perpetuating the unique identity of the Squaxin Indian Tribe into the future;

WHEREAS, the Tribal Council acknowledges the critical need to continue studying enrollment-related issues;

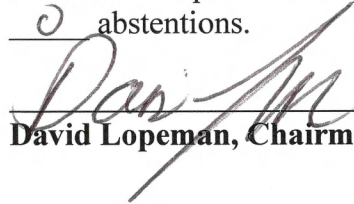

NOW THEREFORE BE IT RESOLVED, that on the effective date of this Resolution, Resolution 09-02 shall no longer be in effect; that applications for enrollment shall be evaluated and processed in the normal course and consistent with the Enrollment Code, including but not limited to § 5.02.010.F.1 that encompasses adoptees as persons “born to” Squaxin members under Constitution § 1(E); except that the following two categories of applications for enrollment shall not be processed: (1) individuals relinquishing from another tribe; and (2) individuals who are direct descendants of persons who were original allottees, or were listed on the Charles Roblin’s Schedule of Unenrolled Indians or 1940 Census, but were born to a person who was not a member of the Squaxin Island Tribe;

THEREFORE, BE IT FURTHER RESOLVED, the objectives of this Resolution that partially lifts the moratorium are: to end the effectiveness of the moratorium expressed in Resolution 09-02; and to now process all applications for enrollment except those for: (1) individuals relinquishing from another tribe; and (2) individuals who are direct descendants of persons who were original allottees, or were listed on the Charles Roblin’s Schedule of Unenrolled Indians or 1940 Census, but were born to a non-Squaxin member;

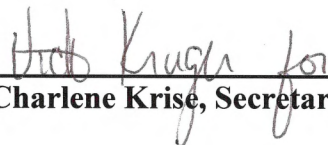

BE IT FURTHER RESOLVED, the effective date of this Resolution is August 31, 2016.
