Dear Mr. Wallis

We are in receipt of your letter of September 24, 1969, at which time you requested certain actions of the Squaxin Island Tribal Council.

May this letter serve as your non-exclusive right to draw a comprehensive plan of development for Squaxin Island. When your comprehensive plan of development is completed, you may present the plan and your official proposal for the development of Squaxin Island to the Tribal Council for action. One copy of the plan proposed will become a permanent record of the Squaxin Island Tribal Council for such use as they desire.

We retain the right to accept or reject any or all proposals.

Yours truly,

Mrs. Florence Sigo
Chairman, Squaxin Island Tribal Council
