

SQUAXIN ISLAND TRIBE

The second s

RESOLUTION NO. 04-15

of the

SQUAXIN ISLAND TRIBAL COUNCIL

WHEREAS, the Squaxin Island Tribal Council is the Governing Body of the Squaxin island Tribe, its members, its lands, its enterprises and its agencies by the authority of the Constitution and Bylaws of the Squaxin Island Tribe, as approved and adopted by the General Body and the Secretary of the Interior on July 8, 1965; **and**

WHEREAS, under the Constitution, Bylaws and inherent sovereignty of the Tribe, the Squaxin island Tribal Council is charged with the duty of protecting the health, security, education and general welfare of the tribal members, and with protecting and managing the lands and treaty resources and rights of the Tribe; **and**

WHEREAS, the Squaxin Island Tribal Council has been entrusted with the creation of ordinances and resolution s in order to fulfill their duty of protecting the health, security, education, and general welfare of tribal members, and of protecting and managing the lands and treaty resources of the Tribe; **and**

WHEREAS, the Squaxin Island Tribal Council remains committed to transportation planning for orderly development and maintenance of the Indian Reservation Roads system that provides access to the Squaxin Island Reservation; and

WHEREAS, the Squaxin Island Tribal Council is aware of the current Transportation Efficiency Act that requires transportation related agencies and organizations, including the Squaxin Island Tribe and the U.S. Department of Interior, Bureau of Indian Affairs (BIA), Indian Reservation Roads (IRR) program, to develop and maintain a transportation priority list, road and bridge inventory, and Transportation Improvement Program (TIP) in order to secure funding and assistance for priority transportation projects; **and**

WHEREAS, the Squaxin Island Tribal Council supports continued efforts by the Squaxin Departments of Planning and Community Development to work closely with the IRR program to provide goods and services and ensure sustained funding for Squaxin transportation planning and construction programs; **and**

Page Two Resolution #04 - ____

WHEREAS, the Squaxin Island Tribal Council is aware that the Squaxin transportation road and bridge inventory has been updated as stated in Attachment A; and

NOW THEREFORE BE IT RESOLVED, that the Squaxin Island Tribal Council does hereby request that the Squaxin road and bridge inventory and associated mileage as listed in Attachment A be added to the IRR road and bridge inventory.

BE IT FURTHER RESOLVED, that the Squaxin road and bridge inventory's associated routes be listed in Attachment A shall be public routes.

BE IT FURTHER RESOLVED, that the Squaxin Island Tribal Council does hereby authorize the Tribal Chairman, Executive Director, or Deputy Executive Director during an absence of the Executive Director, to be the Tribe's signatory and representative in granting appropriate right-of-way easements to the BIA for Squaxin road and bridge inventory routes as identified in Attachment A.

CERTIFICATION

The Squaxin Island Tribal Council does hereby certify that the foregoing Resolution was adopted at the regular meeting of the Squaxin Island Tribal Council, held on this $_//$ day of $_//$ Merch 2004, at which time a quorum was present and was passed by a vote of $_/$ for and $_//$ against with $_/$ abstentions.

Notes

All roads/bridges are a maximum of LOS 2 because they need regular cycles of preventative maintenance.

Lvl of M&O Service - 1 = excellent (CM minimal), 2 = good (CM timely), 3 = fair (delays, occasional inop), 4 = poor (sig delays/fail, CM not).

Bill Sherill comments - a preventative maintenance plan/budget is needed for a 2x/yr cleaning cycle. Does the Vactor truck have rodding/jetting capability? DIA-OPA Bill Edralin comments - BIA has proposed a Vactor truck (Schwarze A7000, air power sweeper) to clean catch basins/culverts (no labor) for loan.

In Thompson comments - assume new paved roads are LOS 2, older paved roads are LOS 3, non-fed roads thru the rez are considered IRR roads.

... Peters - HOC Rd uses oyster shells, assumptions are good
