

RESOLUTION OF THE SQUAXIN ISLAND
TRIBAL COUNCIL

The Squaxin Island Tribal Council has reviewed the base roll and the first current roll of the Tribe and believes both rolls are in order. Inasmuch as applications for membership in the tribe can always be considered, the Council believes it desirable to establish a date for the first current roll of the Tribe and applications submitted after that date will be acted upon the next time the Council decides to pass on applications.

Therefore, the Squaxin Island Tribal Council has resolved to designate October 11, 1970 as the date of the first current roll, with the understanding that adoptions approved at a General Council meeting scheduled for November 15, 1970, and any rejected applicants who may appeal and whose appeals are upheld, shall be added as a supplement to the current roll.

CERTIFICATION

The above resolution was approved at a meeting of the Squaxin Island Tribal Council held near Kamilche, Washington on October 11, 1970, at which a quorum was present by a vote of 4 for and 0 against.
