MEMORANDUM

TO: All Tribes and Native American Grantees
FROM: Gary L. Johnson, Washington State Coordinator
SUBJECT: Formation of an all Indian Service Delivery Area

Tuesday, September 19, 1989 the following Native American JTPA Grantees meet in Spokane to discuss the possibilities of setting up an all Indian Service Delivery Area for the state of Washington State:

1. American Indian Community Center
2. Colville Confederated Tribes
3. Puyallup Tribe of Indians
4. Western Washington Indian Employment and Training Program

Native American Grantees not in attendance were:

1. Seattle Indian Center, Inc.
2. Northwest Inter-Tribal Council
3. Lummi Indian Business Council

A decision was made at the meeting to approach the Tribes/Organizations in the state to pass resolutions of support setting up a Planning Committee to research the pros and cons of an all Indian SDA.

Some of the pros for setting up an all Indian SDA discussed at the meeting are:

1. Opens up a new source of funding to the Indian Tribes/Organizations to address Employment and Training needs of their communities. These funds are currently being administered by the State.
2. Allows better coordination of current Indian JTPA funds with state JTPA funds so Employment and Training problems facing Indians can be more comprehensively addressed.
3. Allows Indian Tribes/Organizations to access the state JTPA funds without having to go through cities, counties or their designated administrative units.
4. Allows for a state wide approach to Indian Employment and Training needs.

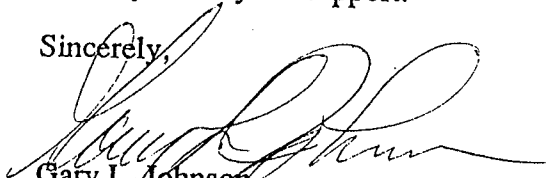

The attached sample resolution has been provided as a guide.

Page 2

Please remember the passage of the resolution does not commit any Tribe/organization to forming an all Indian Service Delivery Area it only authorizes the setting up of a Planning Committee to research the idea. All Planning Committee recommendations will be forwarded to each Tribe/organization for comment before further action by the Tribe/Organization will be requested.

Thank you for your support.

Sincerely,

Gary L. Johnson
Washington State Coordinator
