

Instructions for Referral to Residential Treatment

- 1. Initial Contact:** Northwest Indian Treatment Center is a 45-day minimum treatment program. Please call the Intake Coordinator for a preliminary discussion about bed openings, admission requirements, patient needs, NWITC policies and other questions.

- 2. Referrals:** All referrals will need to have the following prior to placement:
 - A. Drug and Alcohol Assessment** from an external facility recommending in-patient treatment ASAM level 3.5. See notes below.
 - If Medicaid, both the Target (pages 1-7) and the HCA Adult Drug & Alcohol Assessment is required.
 - If contract is Purchase Order, Indian Health Services or another type, a current drug and alcohol assessment is needed.

 - B. Payment method established including a way to pay for medications.** NWITC accepts Washington Medicaid and Tribal purchase orders.

 - C. Signed Release of Information** in accordance with 42 CFR and federal HIPPA.

 - D. Patient health questionnaire-** NWITC will review to determine if additional medical screening is required. Will need labs if clients Medicaid has a MCO attached.

 - E. Re-application questionnaire** for any returning client.

- 3. Medical Requirements that may be requested include but not limited to:**
 - A. History and Physical report.
 - B. CBC = Complete Blood Count.
 - C. CMP = Comprehensive Metabolic Panel.
 - D. A hepatitis screen is advised and may be required if LFT's are elevated or patient has used intravenous drugs.
 - E. Check for pregnancy (if female of childbearing potential).
 - F. When cardiopulmonary disorders are present, additional tests may be necessary, including, but not limited to, an EKG and chest x-ray.
 - G. If the patient has had mental health issues, such as clinical depression, suicidal ideation or any type of psychological problem, a current and complete mental health evaluation may also be required, along with stabilization or medication if evaluation recommends.
 - H. The treatment center's nurse will review all medical information. There may be additional follow up requested. However, if nothing further is required, the intake coordinator will contact you for an admission date for your client.

Readmission Questionnaire

NWITC believes that an important aspect of recovery is consistent structure and clear expectations, as well as compassion and warm support. If you were a former patient looking to reenter treatment please answer the following questions:

1. Are you aware of the Northwest Indian Treatment Center rules regarding participation, respectful behavior, and no interaction between genders? Please provide a paragraph describing your commitment to these expectations.

2. If you were discharged in the past for failing to meet these requirements, please describe those behaviors, and your commitment to change.

3. How long were you clean after your last stay? Describe what led to your relapse.

4. Do you have any needs that were not met in your last stay?

5. What is your motivation for returning? Your hope?

6. Is there anything else that you would like the staff to know?
